District Governor's Message

AKS Rtn. Ravishankar Dakoju
District Governor RID 3192

My Dear Rotary Cub Presidents. Greetings and DHANYAVAD on assuming leadership of your respective clubs for the Rotary year 2026–27. As we embark on this exciting journey of Gratitude in Action together, I extend my heartfelt appreciation for your willingness to serve and lead. You have accepted not just a position, but a unique opportunity to inspire, empower, and make a meaningful difference in the lives of those we serve. This year, we are united by a common purpose: “Create a Lasting Impact, by Doing good in the world”. Impact is not measured solely by the size of our projects or the funds we raise, but by the lives we touch, the hope we inspire, and the sustainable change we create in our communities. As Presidents, you are the catalysts who will transform vision into action. Your leadership will shape club culture, foster fellowship, strengthen membership, nurture future leaders, and drive projects

that leave a meaningful legacy. I encourage each of you to dream boldly, collaborate actively, and lead with compassion. Let us focus on service initiatives that are innovative, inclusive, measurable, and sustainable. Together, we can amplify our collective efforts and demonstrate the true power of Rotary. Remember, no President walks this journey of Dhanyavada in Action alone. Your district team and I stand beside you, ready to support and partner with you every step of the way. Thank you for your commitment, your passion, and your dedication to Service Above Self. I look forward to visiting your clubs, celebrating your achievements, and working alongside you as we create a lasting impact across District 3192. Wishing you a rewarding, memorable, and impactful Rotary year. LET US STRIVE TO ACHIEVE A BORDERLESS WORLD.

With warm regards
AKS Rtn. Ravishankar Dakoju

Dear Members

It's the beginning of new Rotary year under new leader. As I successfully completed the Rotary year 2025–26 as the president of Rotary Bangalore Hessarghatta Road as 3rd President, it gave me immense satisfaction to lead the club which has mix of experienced & new members. In the journey we have done few service projects to support the community & also started a Interact club at Sir M Vishweswaraiah Vidhyanikethan School, Shettihalli, the 1st Interact club sponsored by our club. To our great satisfaction, this interact club has done wonderfully well & participated in both our club activities & also in District organized program. It also bagged 'Best Chartered Interact Club' among the new Interact club started in the year 2025–26.

A good beginning of new club & I congratulate the management & students for their active participation One among the other significant service project was Distribution of Sewing machine to 40 women entrepreneurs under vocational service. These sewing machines were sponsored by our Rotary member Rtn.Gangadhar T P. Other few project to name are “Mega health checkup camp with blood donation”, “Training sessions for parents”, “Good touch bad touch & awareness on hygiene for students” were few organized in the year. “The challenger's” year has completed. It's time to handover the baton to “The Dhanyavada” team lead by Rtn.Rahul Kumar. I wish the president & his whole team a great year. All the best & Cheers!!!

Warm Regards,
Rtn. Shashidhar. M
